"Drinking Water and Sanitation to All and Forever"

Federation of Drinking Water and Sanitation Users' Nepal (FEDWASUN)

Introduction

Federation of Drinking Water and Sanitation User's Nepal (FEDWASUN) is a people based umbrella organization of drinking water and sanitation user's group in Nepal, established in 2003. It facilitates the provision of Drinking Water, Sanitation and Hygiene (WASH) services to communities, advocates for water and sanitation rights (water and sanitation for all and forever), brings public issues to the attention of policy makers and service providers, and promotes good governance in relation to user's committee/ groups and service providers.

FEDWASUN has expanded its branches in 58 districts. Furthermore, 4100 water and sanitation users' committees (WSUCs) have already been affiliated under the FEDWASUN district/national networks.

Vision

To form civilized and prosperous society with healthy people by universal access of safe drinking water, improved sanitation and hygiene.

Mission

To have safe drinking water, improved sanitation and hygiene to all and forever with self reliance capacity and sustainability

Goal

To enhance the self-reliance capacity of Water and Sanitation User's group through meaningful participation ensuring sustainable Water and Sanitation facilities and services for all.

Objectives

To empower and unify the users committee to protect, promote and fulfill the rights of water and sanitation for all and forever with access to WASH services by the means of meaningful participation and advocacy.

Role of FEDWASUN

- Role for Independent Monitoring and Social Auditing (Rural Drinking Water and Sanitation Policy and Strategy, 2004)
- Role of Advocacy and Social Mobilization for Sanitation and Hygiene Promotion (Sanitation and Hygiene Master Plan, 2011)
- Role for Capacity Building and Functionality and Sustainability of Drinking Water Supply Schemes
- FEDWASUN is one of the Signatory, representing Civil Society Organization in the Resolutions of Joint Sector Review (JSR) 1 and 2
